

Are you missing revenue with all those missed calls?

85% of clients who call your studio and don't reach someone won't call back, and only 20% of clients who reach your voicemail will leave a message.

Never miss a client

Respond to missed calls, book appointments, and answer questions with **Messenger^[ai]**, your very own 24/7 receptionist—so your team can focus on what's important: creating the ultimate client experience.

Drive revenue with an ideal booking experience

- Increase client engagement with a 99% open rate
- Automatically upsell clients to boost average ticket
- Make rebooking effortless with automated follow-ups
- Keep clients coming back with personalized texts
- Let your AI receptionist handle the phone

Turn missed calls into paying clients

- Instantly text back clients that call when you're busy
- Answer questions and drive sales via SMS and webchat
- Manage all conversations from a single dashboard
- Message multiple clients and staff with one click
- Give clients a contactless check-in experience

Control communications and simplify your staff's day-to-day operations

- Keep your entire brand connected through a unified dashboard
- Let clients book via text or webchat with one account
- Take full control of franchise level settings at your locations

Missed call

Hi, sorry we missed your call. How can I help you?

1. Pricing
2. Message Reception
3. Consultation
4. Book a Class

...

I'd like to book a class, please.

Great, here's the calendar!
